## Semen Collection Procedures

- Collection Days:** Monday, Wednesday, and Friday  
**Starting April 16<sup>th</sup> and continuing until the last Friday in August.**
- Collection Fees:** The mare owner is given one - (1) shipment of semen per breeding cycle free of charge. If further semen is required during the same cycle an additional collection fee of \$150.00+GST will be charged to the mare owner per shipment. If said mare does not conceive, then one (1) shipment of semen will be sent without collection fees for each consecutive cycle until conception. Again, if more than one semen shipment is required within any given cycle the \$150.00+GST collection fee will be charged and will be due at the time of each shipment. Shipping and container fees apply to each shipment and are due at the time of the shipment.
- Order cut off time:** **10 am EST on the day of collection**
